

4th Annual Client Appreciation Golf Tournament

Concentric Corporation held their 4th Annual Client Appreciation Golf Tournament on August 24 at Quarry Oaks Golf Course. The event brought in about 165 participants from over 45 different companies in the Omaha & Lincoln area. The day consisted of lunch, 18 holes of golf and an awards banquet at the end of the day. From all accounts it was an enjoyable event.

We would like to thank all those who participated as well as the valued client that were not able to participate this year.
